It's a happy drink

There never was such a friendly drink as Clicquot Club Ginger Ale. Day after day, in summer or winter, in Boston or Los Angeles, the taste never varies. It's a man's drink and a woman's. Little children love it, and it is kind to them. The fussiest people accept it gratefully and are perfectly satisfied. There is the secret of Clicquot's popularitythey all like it.

Buy Clicquot by the case for the home. Take it with you on your picnics. Drink it for its own good self or mix it with any fruit juice when you desire
